GOOD FAITH AND CANDOR LETTER
REGARDING PATENT TERM ADJUSTMENT

The Applicants respectfully note that the patent term adjustment calculation may award an excessive term adjustment to the Applicants. After discussing this matter with the Office of Patent Legal Administration, the Applicants believe that the patent term adjustment calculation may have omitted a potential deduction associated with the unintentional abandonment of this patent application from April 2, 2001 (the date of abandonment) to July 24, 2003 (the mailing date of the decision reviving this patent application).

The Applicants respectfully request correction of the patent term adjustment calculation if necessary, as well as an opportunity to review any new patent term adjustment calculation.

The Commissioner is hereby authorized to charge any fees connected with this communication or credit any overpayment to Davis Munck Deposit Account No. 50-0208.

Respectfully submitted,

DAVIS MUNCK, P.C.
